Friday, January 14, 2022	To organize celebrations on the campus to mark the event of Makar Sankranti	Makar Sankranti was celebrated with full fervor in the college. The event started with prayers of Shri Japji Sahib Ji and Shri Chaupai Sahib Ji followed by Ardaas. Mrs. Prabhjot Kaur, HOD, Punjabi Department highlighted the importance of this day. The day marks the beginning of the harvest season when people worship new crops and share them with delight. The college Principal, Dr. Maneeta Kahlon prayed for the well-being of everyone. She shared that today is a special day of Sankranti, which is dedicated to Lord Sun. It also refers to a specific solar day in the Hindu calendar. On this auspicious day, the sun enters the zodiac sign of Capricorn or Makar which marks the end of winter months and the beginning of longer days. This is the beginning of the month of Magh. To recompense for the distinction that happens due to the revolution around the sun, every 80 years the day of Sankranti is deferred by one day. From the day of Makar Sankranti, the sun begins its northward journey or Uttarayan journey. Therefore, this festival is also known as Uttarayan. The NSS unit of the college celebrated Makar Sankranti as a part of 'Ek Bharat Shreshtha Bharat' program to convey the message of 'Unity in Diversity' throughout India. The students of the Department of Journalism and Mass Communication videographed the celebrations.
