46	Saturday	November 20, 2021	To conduct SVEEP Awareness Campaign	A Sensitization drive was conducted by circulating a message to all NSS volunteers through their whatsapp group regarding SVEEP. The Systematic Voter's Education and Electoral Participation Program, better known as SVEEP, is the flagship program of the Election Commission of India for voter awareness and promoting voter literacy in India. SVEEP's primary goal is to build and improve participation in democracy in India by encouraging all eligible citizens to vote by making an informed decision during the elections. The message that was circulated among the students on this occasion stated that voting is the fundamental basis of democracy and a single vote can prove to be a game changer. Therefore, rather than enjoying voting day as a holiday, one must vote if we truly want to contribute to the nation building process and to bring about a change. One must cast one's vote with honesty and due diligence to make India a strong and great nation which was the dream of our freedom fighters.
