College Scape

Established in 1969 in commemoration of the 500th Birth Anniversary of Guru Nanak Dev Ji, **Guru Nanak Khalsa College for Women, Gujarkhan Campus, Model Town, Ludhiana** has carved a place for itself in the field of education by means of diverse range of streams of knowledge for all categories of students. The founder architects and stalwarts of the institution were **Sardar Bahadur S. Bishan Singh Ji** and **S. Sant Singh Ji Gujarkhani - President** and **General Secretary**, respectively of **Guru Nanak Education Trust (Gujarkhan)** followed by **S. Tarlochan Singh Ji Sarna**, the next **President** of the institution. Today, the legacy is carried forward under the able guidance and leadership of **S. Paramjit Singh Sarna** and **S. Harvinder Singh Sarna**, the **President** and **Vice-President** respectively, who have put in their earnest efforts for academic expansion in the face of immense and ever-increasing challenges of the times. We are also highly indebted to **Late Prof. Gurbir Singh Sarna (the former General Secretary)**, a great academician and a seasoned administrator, who worked with immense dedication and devotion in the field of education. **Er. Gurvinder Singh Sarna**, the **General Secretary** of **Guru Nanak Education Trust (Gujarkhan)**, with much forethought and conscientious efforts has ushered in a new-age system of education. **Gujarkhan Campus** harbours six institutions. These are **two High Schools, two Public Schools, Guru Nanak Institute of Management & Technology affiliated with Punjab Technical University**, and **Guru Nanak Khalsa College for Women**.

The college is **affiliated to Panjab University, Chandigarh**. At the outset, it was purely an **Arts Degree College** but in response to the changing scenario and the global outlook of the people **Commerce, Computer Science** and **Business Administration** streams were added in the academic sessions **1989-90, 2001-02** and **2007-08**, respectively. At present, the college is imparting education for **Post Graduate Classes** i.e. **M.A (Eng.), M.Com, PGDCA** and **PGDMC** and in the streams of **Humanities, Commerce, Business Administration, Computer Applications, Honours in English, Punjabi** and **Business Finance & Accounting** up to degree level. The number of teaching and non-teaching faculty for the session is **71** and the total strength of students is **1354**. The college is also running **two Add-on Courses – Functional English** and **Fashion Designing – affiliated to Panjab University, Chandigarh**.

The aim of our institution is not only to impart thorough knowledge of various subjects to students but to make them socially conscious human beings with an understanding of the basic human values. Our students excel in every field, be it academics, sports or co-curricular activities.

They have upheld the trend of outstanding achievements in academics by consistently securing merit positions. Many students have been placed in **Multinational Companies, Banks, and Colleges** etc. With all these achievements, our institution has become one of the leading institutions of Punjab.

It is worth mentioning that the session was unique in many ways, more so due to the global crisis that came in the form of Corona virus. Following the serious outbreak of pandemic COVID 19 and the resultant lockdowns, a sudden shift to online mode was introduced and implemented. Educational institutes across the world were closed while the pandemic jeopardized the academic calendars. The abrupt transition also gave birth to a number of difficulties and raised questions about the preparedness, designing, and effectiveness of e-learning. However, at our campus, the adoption of the new methods occurred seamlessly. The college overcame the initial impediments swiftly. Due to the strong bond shared by our teachers, students, and administration, the college functioned in a harmonious and effective fashion even during such rough times.
