

About The Department

The Department Of Economics is one of the pioneer departments of the college established in the year 1969. The department is offering undergraduate courses in Economics. The primary mission of the department is to provide a high quality education in economics to future leaders of industry, government and civil society. Our vision is the preparation of students capable of critical thinking and independent analysis for living their lives of responsibility, leadership and service. The department is committed to academic Excellence and lifelong learning.
