**ANNUAL  
REPORT  
(2021-2022)**

## **Earn While You Learn Scheme (EWYL)**

‘Earn while you learn’ scheme needs to be strengthened to make vocational education and skill training meaningful.

The Ministry of Tourism is implementing this scheme. It envisages to inculcate appropriate Tourism travel traits and Knowledge amongst trainees to enable them to work as ‘student volunteers’.

This scheme provides short Term training, dedicated to travel industry, to college going students pursuing graduation courses or graduates in the age group of 18 to 25 years.

### **Benefits of ‘Earn While You learn’ Programme:**

1. Provides opportunities to students to earn while learning to meet their expenses.
2. Exposes the students to the world of work before actual employment.
3. Gives students hands on experience and confidence thereby prepares them better for taking up jobs in future.
4. Enables the students to explore their subject preferences and develop them into career.
5. Helps to inculcate in the students values of hard work and dignity of labour.
6. Helps to channelize the in exhaustive energy of the young students in positive activities.

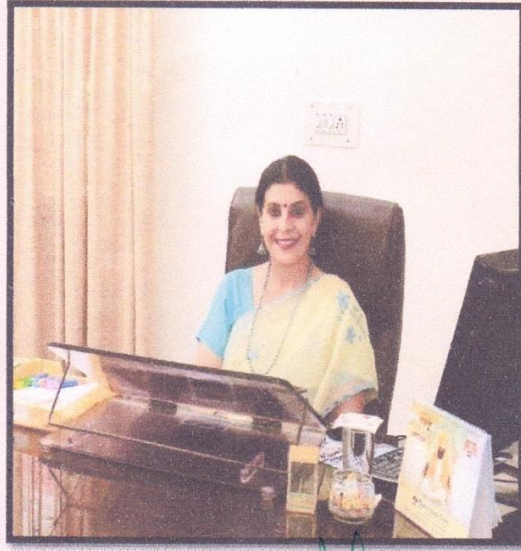

### **Making vocational training meaningful:**

1. Burden of providing for household expenses prevents many young people from undertaking vocational training which creates a void in daily income.
2. Has the potential to attract more people towards undertaking such programmes when income is ensured.
3. Give students hands on experience and thereby prepare them better for taking up jobs in future.
4. Help India reap its rich demographic dividend transition from a jobless growth economy to employable economy.

EWYL programme was announced in 2004 as a part of the comprehensive scheme for universities with potential with excellence. The scheme has been in operation since 2012 providing part – time employment to the enrolled student in the college or university, enabling him/her earn to pay educational expenses.

In order to gain specialized inputs on various practical subjects like Home Science, Fashion Designing and Fine arts which will certainly make our students acquire along with theoretical knowledge and the experience making them the most preferred choice for recruiters. Hence our institute took an initiative to start this scheme under the guidance of Principal Dr. Maneeta Kalhon. The programme run successfully with a collaborative works under the above mentioned three Departments of the College. Students are taught the basic skills and techniques in their Practical classes and they are advised to Put up stalls in the college Campus with minimum expenses in purchasing and preparation of raw materials, and earn good amount of money from the sale made available to Faculty and students of the college.
