ABOUT US

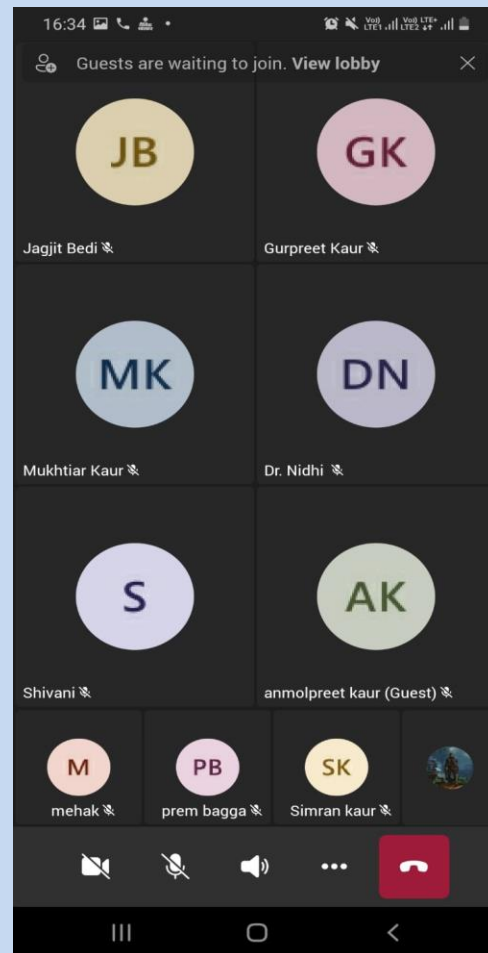

Placement Cell of Guru Nanak Khalsa College for Women, Ludhiana is a professional body effortlessly working under the guidance of diligent and determined placement coordinators towards maximizing student welfare and to prepare students for their future careers. Placement Cell acts as an interface between the students and the recruiters and is responsible for placement of final year students, providing internship opportunities and career counseling to the students of all streams. The Cell also conducts various training programs, workshops, seminars and webinars by industry experts, and regularly takes up various initiatives to develop students' skills and impart knowledge and awareness in multiple areas. The Cell plans development strategies for not only the third years, but for every student of the institution by organizing informative sessions, wherein the students are enlightened on issues such as CV Vetting, how to work in a corporate environment, development of time management and problem solving skills, and facing interviews in the perfect manner. The Cell is actively working towards generating awareness amongst students about the various opportunities present for them to explore. The Placement Cell contributes towards creating college-industry linkages and aims to help the college reach new heights by strengthening these interactions. The placement cell has always tried to recognize the ability of each applicant, and has worked unconditionally to develop programs to fine-tune skills and cultivate talent. In keeping with the college administration's dream, the Cell aims to empower students to meet the rising corporate world's needs. The Cell has witnessed a smooth shift towards virtual placements to provide its recruiters a hassle-free hiring experience. Driven by an inexorable spirit to ensure overall welfare of the batch, the Cell has taken up numerous initiatives and other social media campaigns to develop and nurture mutually beneficial relationships with various stakeholders of the Cell.
