Department of Business Management  
& Commerce

  
Mrs. Maninder Kaur

**Principal**  
Offg. Principal  
G.N.Kh. College for Women  
Model Town, Ludhiana.

## Objectives of Student Mentoring Group

The Student Mentorship Meet is an institutionalized and organized program aims to enrich students' lives on the campus and empower them to continue with their studies and other activities unencumbered by any social or psychological constraint. The Program intends to create a required space for students where their personalities can blossom and prosper to their full potential. The mentors have one-to-one interaction with the students and they support them systematically in their academic as well as personal growth. The mentors act as guides, friends and role models for the students and they imbibe values and ethics central to living a harmonious life.

### **GNKCW STUDENT MENTORING PROGRAM:**

The student Mentoring Program aims to provide a comprehensive support system to encourage and motivate our students to achieve professional and personal goals. The mentors have one-to-one interaction with the students and they support them systematically in their academic as well as personal growth. The mentors act as guides, friends and role models for the students and they imbibe values and ethics central to living a harmonious life.

At the commencement of the session 2020-21, mentors were assigned new students in addition to the previous ones. G-suite IDs were created for all the mentees so as to facilitate online Google meets during COVID-19 crisis. The mentors helped the students in various areas like Cyber security, Online Education: Issues & Challenges, Introduction to National Innovation and Start-up Policy, Importance of Personal Health & Hygiene during COVID-19 pandemic, Coping with Mental Health Challenges during COVID-19 and so on. Apart from this, mentors addressed students' problems, traced their progression during mid-semester exams, motivated them to participate in co-curricular and extracurricular activities, and counselled them at all levels.

The mentorship programme continued through WhatsApp groups in trying times of social isolation during Covid-19 crisis. The mentors were just a call away and were ready to discuss not only academic but personal issues of the mentees too.

The summary of the newly formed groups during the session 2020-2021 and previously existing groups is as follow
