

Preamble

The **Youth Club** of our college is an instrument in developing self-confidence and life skills among students. The club organizes activities that offer opportunities to interact with peers and learn new skills.

The **Red Ribbon Club (RRC)** is a sub-body of the Youth Club and is an international symbol of HIV/AIDS awareness. The club aims to provide a platform for youth to contribute towards the control and prevention of HIV/ AIDS as well as promote voluntary blood donation among youth.

The Youth Club and Red Ribbon Club operate under the guidelines of the Directorate of Youth Services, Ludhiana, the Government of Punjab.

Objectives of the Club are to:

- Educate youth with correct, concise, and adequate information and heighten their level of awareness about HIV AIDS, STI, and other related issues, thus eliminating myths and misconceptions.
- Enable youth to identify and understand situations of exploitation and abuse.
- Sensitize the youth regarding the care and support needs of people affected with HIV AIDS and instill in them the spirit to reduce the stigma and discrimination against them.
- Create and train among the youth a cadre of peer educators for spreading awareness about HIV-AIDS and its prevention in the community.
- Promote Voluntary non-remunerated Blood Donation among youth

Activity: Extempore activity to celebrate World Environment Day Activity Details:

The Department of Computer Science and Applications and the Youth & Red Ribbon Clubs organized an extempore activity to celebrate World Environment Day which falls on June 5. The year 2022 is a historic milestone as it marks 50 years since the 1972 Stockholm Conference. Also, this year's motto for World Environment Day is "Only One Earth" which is the same as the campaign slogan for the 1972 Stockholm Conference. 50 years on, the motto is as pertinent as ever and focuses on "Living Sustainably in Harmony with Nature". Under this broad gambit, students expressed their views on a number of sub-themes including, India's Environment Policy: Opportunities and Challenges, Swachhata Action Plan Project being implemented in educational institutions, Role of individuals and community in protecting the environment.
