

Earn While You Learn

**GURU NANAK KHALSA COLLEGE
FOR WOMEN
GUJARKHAN CAMPUS
MODEL TOWN, LUDHIANA**

**Even Semester Report
January to May 2023**

Earn While You Learn Scheme (EWYL)

A stronger "earn as you learn" programme is required to make vocational education and skill development worthwhile.

This programme is being implemented by the Ministry of Tourism. In order to function as "student volunteers," it is intended to instil in trainees the necessary tourism travel attributes and knowledge.

This programme offers college students pursuing graduation courses or recent graduates in the age range of 18 to 25 years short-term training focused on the tourism sector.

Advantages of the "Earn While You Learn" Program:

1. Offers students the chance to make money while learning how to pay for necessities.
2. Prepares graduates for employment by exposing them to the workplace.
3. Gives students real-world experience and confidence, better preparing them for future employment.
4. Gives pupils the chance to investigate their topic inclinations and turn them into careers.
5. Aids in instilling in students the qualities of perseverance and respect for labour.
6. Assists in directing the young students' excessive energy toward constructive endeavours.

Adding meaning to technical courses:

1. Many young people are prevented from enrolling in vocational training because of the burden of supporting their families, which leaves a gap in daily income.
2. When income is guaranteed, it has the ability to entice more people to participate in such programmes.
3. Provide students with real-world experience to better prepare them for future employment.
4. Assist India in turning its valuable demographic dividend into an employable economy by assisting the country's transition.

The EWYL programme was introduced in 2004 as a component of a comprehensive plan for universities with quality and potential. The programme, which has been in place since 2012, offers part-time employment to college or university students registered in it, allowing them to earn money to cover their educational costs.

'Earn While you learn Scheme' is running in progress in Collaboration with **Swachhata and Rural Engagement Cell (SES-REC)** of the College to promote Youth entrepreneurship.
