2.3.1 Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

Response:

GNKCW believes in the adoption of students centric methods to enhance student involvement as a part of participative learning and problem solving methodology. Role Plays, Team works, Debates, Seminar Quizzes and case studies Specifically Students centric Teaching Methods are reflected in project work, Field Visit, Industrial visit& guest lectures. Specifically the students centric methodology include

1. Experiential Learning

1.1.1 Project work

- Project work is organized which is an essential element of each programme
- Internship or Field Projects in industry is also applicable in some cases

1.2 Participation in competition at various level

- For Real time exposure students are encouraged to participate at district/state/college/university Level

1.3 Field Visits

- Faculty identifies and propose academically significant Field visits and Surveys

1.4 Industrial Visits

- Departments Plan and Organise the industrial visits for students to provide exposure to industrial work

1.5 Guest Lecture

- Guest lecture by eminent experts from industry and academics from across the world are organised to supplement the teaching process and provide experiential learning.

2. Participated Learning

2.1 Role play

- Teachers adopt role play method especially in management and Technical courses to supplement Teaching by way of participative learning

2.2 Team work

- All Departments organize students activities to promote the spirit of Team work The activities and Camp of NSS, institutional social responsibility through Red Cross, Village Adoption, Tree plantation . Swatchh Bharat and Health awareness camp to help the students t to learn Art of living in a team for Social and community welfare.

2.3 Debates

Debates: Debates are followed in many of the subjects where students are required to come with different opinions, thought processes thus the learning process gets justified in the argue-mental way of learning.

2.4 Group work

- Practicals and workshops in all individual and group work under the guidance of teachers are also conducted.

2.5 Earn while You Learn

- Student experience participate learning through this Scheme.

3. Problem solving methodology

3.1 Case studies

- Case study method is adopted in teaching learning process to make the students have logical thinking and practical knowledge to develop problem solving ability. This is commonly adopted in management programmes as well as while teaching Business law, cyber laws etc.

3.2. Analysis and Reasoning

- All questions in examination are based on analysis and reasoning.
- Free internet access in the library and wifi facilities in campus promotes the habit of self-learning and discussion.

3.3 Discussion

- University follows the discussions methods in many of the subjects as it makes the students to think wide and participate in coming up with the

opinions & suggestions to check their current knowledge. Discussions are held basically in soft skills, managerial communications, business adoptions etc.

3.4 Quizzes

- Quizzes are conducted by subject teachers in all UG and PG programmes.

3.5 Research Activities

Department of Business Management in collaboration with the Women Development Cell under IQAC, GNKCW

Resource person for the seminar was the renowned Dietician Ms. Sonia Kochar from Diet Well Weight Loss Clinic, Ludhiana. She addressed the students on important topics pertaining to Women Health Care with a special focus on PCOD, and other menstrual issues faced by women. She discussed a healthy diet and how to maintain a healthy lifestyle in today’s busy life. She talked about various healthy snacks available which are healthy and tasty as well to replace with fried food or junk food. Also, she talked about various ways of managing stressful life these days. She conducted a quiz for the students for which they were given exciting, healthy giveaways. In addition, adopting meditation as a part of

life, how to meditate and the importance of laughter in our busy stressful life was also discussed by the resource person. Laughter therapy and a meditation session of a few minutes was also carried out during the seminar which was heartily enjoyed by the audience.

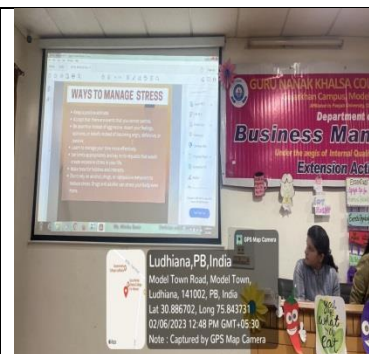

Students of the department participated in this Seminar with full enthusiasm by making the session interactive. Few students brought healthy snacks that they cook and eat in their routine and shared the recipes with other students and faculty.
