Gujarkhan Campus, Model Town
Ludhiana

The sun's light generates solar energy, and photovoltaic energy is one of the most promising forms of energy since it is renewable, inexhaustible, non-polluting, avoids global warming, reduces usage of fossil fuels reduces energy imports, and helps to promote sustainable growth. The Government of India's Ministry of New and Renewable Energy (MNRE) has been supporting the goal of developing and deploying new and renewable energy to meet the nation's additional energy. Guru Nanak Khalsa college for Women is committed to promote use of energy saving devices and solar energy in college premises.

➤ **Celebration of Akshay urja Diwas**

Energy management team of college celebrated Akshay urja Diwas by screening a documentary film related to renewable energy on August 20, 2022. The purpose of this activity was to raise awareness among students to make use of renewable energy. The marks the birth anniversary of late Prime minister Rajiv Gandhi, and is also known as Rajiv Gandhi Akshay Urja Diwas.

Two new ACs and seven new energy saving fans have been replaced in the seminar hall.

The General Secretary,
G.N.Kh.College for Women,
Model Town, Ludhiana.

Subject : Seminar Hall Renovation exp Account.

Sir,
The renovation of the Seminar Hall is going on. Whitewashing and Paint work is complete. We would like to replace the old fans with new ones. For the purpose we need to purchase 7 New Ceiling fans with 4 feet Long fan rods. The fans removed from Seminar Hall will be used to replace the obsolete ones. Kindly sanction purchase of 7 New fans with accessories as above.

Further, I ~~add~~ ^{add} that earlier we had purchased 5 remote operated ceiling fans. These fans have been installed as per details given below:
1 fan in Principals Office 4 in Principals residence & ~~One~~ ^{One} is pending for installation.
The old fans removed from Principals Office and residence have been used in Classrooms where ever the fans were obsolete.

Yours Sincerely,

Maneeta
Dr. Maneeta Kahlon
