## Restricted entry of automobiles

Guru Nanak Khalsa college for Women has always taken green agenda on priority. It has shown remarkable awareness in maintaining eco friendly campus. On visiting the campus one can experience aesthetic and elegant building, splendid lawns, sports ground and lush green environment for teaching —learning process.

Institution has restricted the entry of automobiles inside college campus. All the vehicles are to be parked in parking areas only. Vehicle parking space is provided outside college campus, but near to it.

**Pedestrian friendly pathways**: As the campus is vehicle free, students and faculty members freely move around the campus by using pedestrian friendly pathways.

**Ban on use of plastic**: The use of single use plastic is banned inside college campus and students and faculty members are encouraged to reuse and reutilize things.

Landscaping with trees and plants: Landscaping at college campus is worth seeing and reflects aesthetic sense. The college has a canopy of trees and plants to make the environment pollution free inorder to safeguard the health of inmates. The lawns and threes provide shade and beautiful ambience. Utmost care is taken to develop and maintain green landscaping by trained gardener and supervisors. The college authorities are taking initiatives to make the campus paperless. Electronic gadgets are preferred to transfer and store official data and information. Library and examination centres are equipped with efficient softwares.

**Gardening Club:** Gardening club of the college ensures the maintenance and proliferation of green cover in the college. The regular plantation is conducted and gardeners are instructed regarding the upkeep of lawns.
