Assistant Professor

Head of department

"To be an artist is to believe in life." – Henry Moore

About the Department

The Department of Fine Arts was established in the year 1972 to inculcate a sense of Aesthetics in the students of the area and to imbibe in them a lifelong love for art. The course is of three years durations with six semesters. The infrastructure was spacious and airy which was conducive to the creative pursuits. Many projects were taken up from time to time in the form of workshops of Paintings in water color, Oils, Clay Modeling. The department has contributed immensely to the cultural laurels of the college in the youth festivals year after year. Education in fine arts is an integral part of any institution. Those who have pondered over learning process through the ages, beginning with Plato have emphasized the importance of the arts in the education process. The Department of Fine Arts' purpose is to select students from various strata of the society and give them exposure to various Art forms of the world apart from our own. After an in-depth study of various art forms; students can develop an indigenous style having a universal appeal. Fine arts are such a way as it leads to beautiful and charming vision of life. It develops various creative skills. It is enriching cultural potential of students and people. Pursuing fine arts is not merely a hobby, but can be a lucrative career option as well. Fine arts comprise painting, sculptures, applied art/commercial art. Each field is extensive and comprehensive that requires hard work and persistence to get through. One is expected to be amend with basic skills as creativity, imagination and patience as well.
