GUJARKHAN CAMPUS, MODEL TOWN, LUDHIANA**

ECO / GREEN CLUB REPORT (2022-23)

Dr. Maneeta Kahlon

Dr. Parveen Arora

Coordinator

(Principal)
Dr. MANEETA KAHLON
Principal
G.N.Kh. College for Women
Gujarkhan Campus, Model Town,
Ludhiana

MEMBERS

Mrs. Rajwinder Kaur

Mrs. Gagneet Pal Kaur

Dr. Shikha Bajaj

Overview

The main aim of establishing the Eco Club was to conserve the natural resources and the natural environment to create Eco friendly environment and create awareness of biodiversity conservation and local environmental issues among children and to create a clean and green consciousness among students through various innovative methods.

Eco club plays an important role in creating environmental awareness amongst the future generation. The Main motive of the Eco Club is to nurture and teach the importance of environment to students.

Eco Club is a group of concerned students, teachers and volunteers that are committed to raising awareness about environmental issues and to reducing environmental impact as individuals, as community, and as citizens of the Nation.

Our vision

To be the best institution for protecting and creating environment awareness by educating the youth, offering programmes and resources for the students.

Eco Club's three main themes are People, Nature and culture. The Club organizes many activities like quizzes, extempore, lectures, debates, essay writing, power point presentation, drawing competition on various environmental issues.

Objectives

- To motivate the students to keep their surroundings green and clean by undertaking plantation of trees.
- To promote culture of conservation of water by minimizing the use of water.
- To maintain cleanliness in and around the campus.
- To educate students to create awareness amongst public and sanitary workers, so as to stop the indiscriminate dumping and burning of waste which causes respiratory diseases.

Major Activities

- The Eco Club along with NCC cadets and NSS volunteers of the college does its best efforts for a green campus.
- Organize seminars and special lectures on environmental issues in the College.
- Campaign against banned carry bags, use of loud speakers, banned fireworks, recycling of glass and metals, filling of water body in the adjacent area, etc.
- Organize rallies, marches, human chains at public places with a view to spread environmental awareness.
- Action based activities like tree plantation, cleanliness drives both within and outside the College campus.
- Beautifying selected road side area, public places like hospitals, government offices, places of worship, etc., with plants and put campaign boards to generate awareness.

- Plantation programme is undertaken at regular intervals through Eco-club and NSS in the college premises and also in the premises of certain Government offices, Hospitals, Temples and orphan houses.
- Removal of waste plants and thorn bushes is done by Eco club with the help of NSS volunteers and other student from time to time. The volunteers of NSS Units collect scrap materials like plastics and other trash in the college and dump it in an appropriate place.
- The Eco club of college organized and actively participated in the Swachh Bharat Programme at the Community Health.

CONSTITUTION OF ECO CLUB

S. No.	Name & Designation	Name of the Committee/ Duty Assigned
1.	Dr. Parveen Arora	Asst Prof. Public Administration Convener
2.	Mrs. Rajwinder Kaur	Asst Prof. PG Deptt of Commerce Co-Convener & Member
3.	Mrs. Gagneet Pal Kaur	Asst Prof PG Deptt of English
4.	Dr. Shikha Bajaj	Asst Prof. Deptt of Fashion Designing Co-Convener & Member

ACTIVITIES UNDERTAKEN

➤ Celebration of World Environment Day

Date	Action taken
June 5, 2022	On the occasion of World Environment Day today, Swachhata Action Plan (SAP) committee of the college (MGNCRE, Government of India) organized a lecture to promote environmental consciousness among students and staff. Dr. Parveen Arora, Nodal Officer of SAP was the resource person for this online session. During her talk, Dr. Arora elaborated on the theme of this year's World Environment Day- Only One Earth. Students pledged to collectively work towards protecting Mother Nature. With the aim that multiple small steps can bring in a major change, students and staff planted saplings in their homes to contribute to making our planet greener and healthier.

➤ **An awareness campaign in rural area of two villages, Kheri and Jhameri of district Ludhiana**

Date	Action taken
September 12, 2022	A visit to the two villages, Kheri and Jhameri of district Ludhiana was organized by the college. The students interacted with the members of PRIs and Gram Sabha to understand grassroot level information about the working and status of the activities at the village level. Students also conducted a door-to-door survey and interacted with the village residents. They visited two government schools and <i>Anganwadi</i> . Students also monitored the growth and watered the trees planted by them on the day of their first visit to the village. In addition, they also got an opportunity to discuss many Rural Development Schemes like MNREGA, Mid-day meal, SSA, etc. under the supervision and guidance of Dr. Parveen Arora. Madam Principal Dr. Maneeta Kahlon appreciated the efforts of the students for their participation in this educational visit.

➤ **World Toilet day**

Date	Action taken
November 19, 2022	<p>Under the aegis of the Internal Quality Assurance Cell, Social Entrepreneurship, Swachhata and Rural Engagement Cell (SES-REC) of the college observed International Soil Day. This day is observed to raise awareness about the importance of soil, healthy ecosystems, and human well-being. The theme of World Soil Day 2022 is “Soils: Where food begins”.</p> <p>On this occasion, it was informed that the college has undertaken numerous initiatives for ensuring a healthy soil cover, this includes, setting up of vermicomposting unit during the previous academic year. Through this unit, the college is able to productively utilize its organic waste materials and has become self-sufficient in its organic manure requirements. The staff and the students visited the vermicomposting site in the college and were encouraged to make their own vermicompost units at home.</p>
