National Book Lover Day

National Book Lovers Day, celebrated on 9th August every year, harnesses all the joy bibliophiles feel about books into one large celebration. A special day for all those passionate about reading, this day encourages you to find your favorite reading spot and a good book, and read the day away. It is the day that encourages everyone to pick up a book and spend the day reading. This is the perfect day to honor all the book lovers and bookworms in your life.

- It provides you with knowledge: Even if you're reading fiction, everything you take in provides your brain with new knowledge.
- Reading expands your vocabulary and memory: According to research the more you read, the more you get exposed to new words and expressions, which strengthens your personal vocabulary more and more each day. It improves your memory because it trains your brain to remember characters, plots, and other things that are happening in your book after you set it down.
