Dear Dr. Daisy,

Greetings from Pratham.

At the outset thank you for agreeing to conduct an orientation for our core team who are constituted to develop an online certificate course on the 'Curricular Framework for Cross Disability Early Intervention and School Readiness' on the 4th May at 6 pm via virtual mode.

With reference to our telephonic conversation, the team are subject experts in the field of early intervention, practitioners and educationists with over two decades of experience each. However have not been previously exchanged in developing MOOCs or certificate courses.

Request you to orient us :

- On how a MOOC is conducted
- Assessment for a MOOC
- Video production requirements for MOOC
- Process for development of the course - role of the core team member

With your experience, our team would benefit a lot.

A line of acknowledgement of the email would be appreciated.

Thank you.

Warm regards,

CERTIFICATE

This certification serves as a testament to the academic and research excellence showcased by Manisha Verma in her project report entitled "A Study on Customer's Satisfaction Towards E-Banking Services (with Special Reference to Banking Customer of Punjab)." As the supervisor of this research, I have closely monitored and guided the project to ensure its alignment with the academic standards and research ethics.

I hereby affirm that this work is original, authentic, and has not been submitted elsewhere for any degree or academic recognition. Manisha Verma has shown a commendable level of dedication and commitment to this project, working diligently to achieve its objectives and deliver insightful results. The study focused on examining customer satisfaction with e-banking services, with a special emphasis on the banking customers of Punjab.

As a supervisor, I can attest to the rigor and depth of the research methodology used in this project. It involved both primary and secondary data collection from a diverse set of respondents, with a focus on understanding the factors that influence customer satisfaction with e-banking services. The data collected was carefully analyzed using statistical tools and techniques to derive meaningful insights and conclusions.

In conclusion, I certify that Manisha Verma has demonstrated exceptional research and analytical skills in this project, and the findings of this study have practical implications for the banking industry in Punjab. I am confident that this work will contribute to the existing body of knowledge on e-banking services and provide a solid foundation for future research in this field.
