The legacy of the Home Science Department and its present status:

In 1975, the Home Science Department was established at the Guru Nanak Khalsa College for Women, Gurjarkhan Campus, Model Town, Ludhiana. For this department, there was only one Lecturer at first. Only 60 kids were enrolled in prep school and 25 were enrolled in first year. There was only one laboratory present at first. There was no lab attendant in the department. One attendant was hired in 1976, and a lab assistant was hired in 1980. In 1978, the department appointed a second lecturer. The construction of the second lab in 1982 coincided with the students' growing numbers. The Department was located on the first floor. However, the entire department was moved to the first level in 2001–2002.

There are now a total of two labs—one for sewing and one for cooking. For the teaching staff, there is a single staff room with a bathroom right next to it. For storing excess equipment, sewing machines, and armoires, one storage room is provided.

A single attendant's room has also been created so that she may give the pupils during practical what they need. Two permanent faculty members, two adohc faculty members, one lab assistant, and one lab attendant were scheduled to ensure that classes ran well as enrollment grew in the ensuing years. Only degree-related coursework remained as a component of higher education over time, and prep or Sr. Sec programmes were rescheduled for school levels. As of right now, the department consists of one Adohc and one Permanent Faculty member, as well as a Lab Assistant and a Lab Attendant.

Flower show concludes

Tribune News Service

LUDHIANA, FEBRUARY 29

The 'Dr MS Randhawa memorial flower show and competition' concluded in a burst of colours as flower enthusiasts flocked the grounds near the Manmohan Singh Auditorium at Punjab Agricultural University (PAU). Organised by the Department of Floriculture and Landscaping, in collaboration with the Estate Organisation, the two-day event dazzled visitors with a breathtaking array of flowers and imaginative arrangements.

It was a feast to the eyes of the visitors, who were fascinated by the newly developed tulip flowers and the countless varieties of petunia, pansy, cineraria, calendula, marigold, dahlia, etc., and other green plants. Terming the development of the Tulip Garden by PAU as a huge stride in floriculture and the first of its kind in Punjab, chief guest RIS Gill, Estate Officer, stated, "Diversification in floriculture and landscaping has manifested prosperous life for the farmers, nurseries and the flower lovers."

Flower enthusiasts, nurseries, amateurs, and private, government and semi-government institutions participated in various competitions. Several city-based schools and college — including BCM Arya Model Senior Secondary School (Shastri Nagar), Police DAV Public School and Guru Nanak Khalsa College for Women (Model Town)—and a few individuals clinched prizes for the arrangement of fresh and dry flowers, and flower ornaments.

Beyond the cut flower and dry flower sections, segments such as fillers, indoor plants, landscaping plants, seeds, planting material, turf grass, and value-added products also play a crucial role in driving the growth of the floriculture sector.

Gill listed rose, carnation, chrysanthemum, gladiolus, gypsophila and orchid as the most sought-after cut flowers in the market.

Respected Madam,

Subject: - Recommendation for writing off of food stock in dept. Home Science.

I am writing this letter to provide my strong recommendation in support of the writing off the below mentioned stock of Home Science Dept. which was found spoiled in 2023. On conducting the ASTB, I have had the opportunity to closely observe and analyze the equipment for the academic session 2023-2024, w.e.f 18 May to 28 May 2024. It has become evident that the stock is severely spoiled & thereby in other case an extended period of time / request management authority will carefully consider this recommendation for disposing off damaged, rotten, ripped and defunct items and evaluate the potential benefits of writing off the stock for the session 2023-2024.

The Board Members will comprise of the following teaching and non-teaching staff:

ASTB Members

6. Mrs. Shikha Kalia (Head, Department of Home Science)	Signature
7. Mrs. Seema Dua (College Registrar)	Signature
8. Mrs. Parveen Verma (Lab. Assistant, Department of Home Science)	Signature
9. Shivan Kumar (Lab. Attendant, Department of Home Science)	Signature

Supervisory Board Members

1. Dr. Manjeeta Kaur (Principal)	Signature
2. Dr. Shikha Kalia (HOD Fashion Designing)	Signature
3. Mrs. Anuragpreet Kaur (Asst. Prof. Dept. of Home Science)	Signature

Thanking You,
 Dr. Manjeeta Kaur

Respected Madam,

Subject: - Permission for formation of Annual Stock Taking Board (ASTB) for department of Home Science.

To facilitate the management of the department of Home Science, I am writing this letter for taking your kind permission for the formation of an Annual Stock Taking Board (ASTB) to ensure oversight and accountability of the stock and inventory in the department.

The Board Members will comprise of the following teaching and non-teaching staff:

1. Mrs. Shikha Kalia (Head, department of Home Science)
 2. Mrs. Seema Dua (College Registrar)
 3. Mrs. Parveen Verma (Lab. Assistant, Department of Home Science)
 4. Shivan Kumar (Lab Attendant, Department of Home Science)

It will be supervised by Madam Principal Dr. Manjeeta Kaur
 Shikha Kalia HOD Fashion Designing
 Anuragpreet Kaur Asst. Prof. Dept. of Home Science

With the ever-increasing complexity of practical and theoretical operations in the department and the need for accurate and up-to-date records, establishing a dedicated Stock Taking Board (ASTB) is a prudent step towards the efficiency and effectiveness of our institution's inventory management. Such Board will play a vital role in conducting thorough stock audits and ensuring that accurate records are maintained throughout the year in the Department.

The Board will conduct the annual stock taking of the Kitchenware and other Equipment's for the annual year of 2023-2024 in the month of June to July w.e.f 18 May to 28 May 2024.

Kindly grant permission for the same.

Thanking You,
 Yours Faithfully,
 Dr. Manjeeta Kaur

Department of Home Science and Fashion Designing initiated hobby classes for 10+2 female students, named 'Trendy Cooking' and 'Fashion Impressions', running from May 21 to May 25, 2024. On the first day, student registration was completed. They were briefed on the schedule of the hobby classes and their itinerary included visits to both the Foods lab and the Fashion Designing department. On the inaugural day of the class (May 20, 2024), students were taught a baking technique without refined flour and sugar, employing whole wheat flour and jaggery. Ten students attended the session, learning the baking process with and without an oven. They replicated the recipe and discussed common challenges encountered during the baking process.
