August 30, 2024: Host a Motivational Lecture on “Life of Women” by Our Distinguished Alumni

The college organized an enlightening motivational lecture on the theme “Life of Women.” The event was designed to impart wisdom on living a meaningful and fulfilling life to the students.

The session was graced by **BK sister Jyotsna**, Distinguished Alumni Member and a distinguished member of the Brahma Kumaris organization, the only organization in the world which is run by women. In her address, she underscored that the organization's focus is not on promoting any specific caste, creed, or religion but on the spiritual purification of the soul. She inspired students to embrace a life of contentment, emphasizing that the learning phase is the most precious stage of life, where self-awareness and personal growth take center stage. BK sister Jyotsna identified ignorance as the primary cause of unhappiness, urging the students to awaken their inner selves. She also shed light on the inherent strength and power within women, which she believes is often overlooked. She advocated for a balanced integration of masculinity and femininity within every individual, encouraging students to embody both care and strength in their lives. During the lecture students were engaged in ten minutes meditation exercise.

Madam Principal **Dr. Maneeta Kahlon** expressed her heartfelt thanks to **BK Jyotsna** for her thought-provoking lecture. She further motivated the students to engage in self-discovery and to build the resilience needed to achieve success in their lives.
