6.1.1 – Governance Aligned with the Institution’s Vision and Mission

The institution’s governance system is closely aligned with its vision, mission, and guiding motto—Love, Service, and Sacrifice. All policies and decisions promote national development, social change, value-based education, and optimal resource utilization. The college’s strategic goals are maintained by strictly following University guidelines, which serve as the basis for major institutional decisions. The Governing Body, Principal, and IQAC work together to frame regulations that help develop students into socially aware, morally strong, ethically responsible, and environmentally conscious individuals. Numerous clubs and societies, such as the Anti-Ragging Committee, NCC, NSS, Red Ribbon Club, Youth Club, Legal Literacy Club, Eco Club, and Unnat Bharat Abhiyan, actively contribute to these goals. The college emphasizes character-building values like honesty, discipline, courage, and skill enhancement.

A decentralized and participative management system operates through committees including Infrastructure Augmentation, Campus Maintenance, Hostel Management, Admission, Time Table, Grievance Redressal, PTM, Career Counseling, Placement, Alumni Association, Central Association, Cultural, and Academic Committees, ensuring efficient functioning. The institution also extends scholarships to support meritorious and needy students. Active participation of all stakeholders, regular feedback, open discussions, and faculty involvement strengthen curriculum delivery and overall governance, while the administrative office ensures smooth documentation and coordination.
