Subject: Representation Regarding Out-of-Syllabus Questions in BA Fine Arts Semester VI
Theory Paper A (History of Art)

I am writing to bring to your notice a serious concern regarding the BA 6th Semester Fine Arts Theory Paper A (History of Art). It has come to my attention that several questions in the question paper were out of the prescribed syllabus, causing significant distress to the students.

Specifically, in Question No. 1, parts (2), (4), (8), (10), and (12) were beyond the scope of the syllabus. Furthermore, the content covered in Unit 1 (question no 2 and 3), in Unit 2 (question no 4 and 5), in Unit 3 (question no 6 and 7) of the paper does not align with the syllabus provided by the university.

For your reference, I am attaching a copy of the university syllabus for the subject, along with the question paper in question.

I kindly request you to take appropriate steps to address this issue, ensuring fairness for all students. Consideration for re-evaluation, bonus marks for out-of-syllabus questions, or any other suitable measure would be appreciated.

Your's faithfully
