Details of activities conducted in Odd Semester

Date: June- August 2025

Activity: Admission Process

Activity Details: The department conducted admissions to the classes, BCA, BA (Computer Science and Applications), and PGDCA, for the session 2025-2026 as per the guidelines of Panjab University, Chandigarh. The admission process for the BCA First Year and BA First Year classes was conducted in alignment with the guidelines of the National Education Policy (NEP) 2020 and as per the instructions issued by Panjab University, Chandigarh. The process emphasized a holistic and multidisciplinary approach, ensuring inclusivity and transparency at all stages. Special efforts were made to streamline admissions, adhering to the NEP's vision of providing equitable access to quality education. The department took proactive steps to implement the policy directives, fostering a learner-centric environment while upholding the standards set by the university.

In order to make the students aware about the admission process, creatives were created by the department and shared on various social media platforms.

Date: August 1, 2025
Activity: World Wide Web Day
Activity Details: Under the aegis of the Internal Quality Assurance Cell, the Department of Computer Science and Applications of Guru Nanak Khalsa College for Women, Model Town, Ludhiana, celebrated World Wide Web Day on August 1, 2025. The occasion was marked by a Digital Poster Making Competition organized on the theme “Role of the World Wide Web”. The event aimed to raise awareness among students about the evolution, impact, and responsible use of the World Wide Web in today’s digital age.

World Wide Web Day is celebrated globally to acknowledge the invention of the web by Sir Tim Berners-Lee in 1989, which revolutionized communication, information sharing, and the way people connect across the globe. The competition provided a platform for students to creatively express their understanding of the web’s contribution to education, business, communication, and society at large.

Numerous students from the department participated enthusiastically, submitting innovative digital posters that highlighted both the positive and cautionary aspects of the web. The entries were judged by Dr. Kirti Dhawan, Head of the Department of Journalism and Mass Communication, who evaluated the posters on creativity, relevance to the theme, technical presentation, and overall impact.

The results of the competition are as follows:

- First Prize – Arshpreet Kaur (BCA 5th Semester)
- Second Prize – Khwahish Munjal (BCA 1st Semester)
- Third Prize – Rishita Kanojia (BCA 5th Semester)
- Consolation Prize – Harsimranjit Kaur (BCA 3rd Semester)

On this occasion, Dr. Maneeta Kahlon, Principal of the College, congratulated the participants and appreciated the initiative taken by the department. She stated, “Celebrating World Wide Web Day encourages digital awareness among students and reminds us of the importance of responsible web usage in an increasingly connected world. Such competitions not only promote creativity but also critical thinking on how we can leverage technology for societal growth.”

The event was coordinated by Ms. Daisy Wadhwa, Mrs. Satwant Kaur, and the faculty members of the Computer Science Department.

Activity: Ctrl + Meet: An Ice-breaker Showcase unveils the talent of BCA and PGDCA First-Semester students

Activity Details: Under the aegis of the Internal Quality Assurance Cell, the Department of Computer Science and Applications at Guru Nanak Khalsa College for Women, Model Town, Ludhiana, organized an exciting and vibrant ice-breaking activity titled “Ctrl + Meet: An Ice-breaker Showcase” for the first semester BCA and PGDCA students on August 6, 2025. The event served as a lively platform for students to interact, connect, and present their talents in an atmosphere of creativity and camaraderie.

Students enthusiastically participated and showcased their unique abilities through various performances and exhibitions. The audience was enthralled by graceful dance performances, heartfelt poetry recitations, and inspiring presentations by budding entrepreneurs who displayed their Instagram pages promoting homegrown ventures. Artistic talent was on full display with exhibits of mehndi art, nail art, stitching art, fine art, and mouth-watering baking creations.

The college Principal, Dr. Maneeta Kahlon, appreciated the efforts of the students and expressed her admiration for their multifaceted talents. She stated, "It is heartening to see such creativity, confidence, and entrepreneurial spirit among our young learners. Platforms like these help build confidence and foster lasting connections."

The event was coordinated by Ms. Daisy Wadhwa, Mrs. Satwant Kaur, and the faculty members of the Computer Science Department.

Activity: International Youth Day
Activity Details: Under the aegis of the Internal Quality Assurance Cell, the Youth Welfare Department, NCC Wing, NSS Unit, and Red Ribbon Club of Guru Nanak Khalsa College for Women, Model Town, Ludhiana, jointly celebrated International Youth Day with great enthusiasm. The event aimed to raise awareness among students about the pivotal role of youth in shaping a sustainable future.

As part of the celebration, an online quiz on International Youth Day awareness was conducted in collaboration with the Department of Computer Science and Applications. The quiz witnessed active participation from school and college students.

Addressing the occasion, Dr. Maneeta Kahlon, Principal of the College, highlighted the importance of observing International Youth Day and emphasized this year's theme, "Local Youth Actions for the SDGs and Beyond." She stated, "The youth are the driving force behind societal transformation. By channeling their creativity, energy, and commitment toward the Sustainable Development Goals, they can create positive change not only in their communities but also on a global scale. Today's celebration is a reminder that local actions can have far-reaching impact."

This drive was conducted as part of the annual Diwali celebration "Roshni". The initiative aimed to promote environmental awareness and encourage responsible disposal of electronic waste among students and faculty.
During the drive, Ms. Surbhi from Pahal sensitized the students about the hazards of improper e-waste disposal and highlighted the importance of sustainable recycling practices. Teachers and students actively participated by donating various forms of e-waste, including old gadgets, cables, and electronic accessories, to ensure their safe and responsible disposal.
Speaking on the occasion, Principal Dr. Maneeta Kahlon said, "This initiative reflects our commitment to environmental sustainability and social responsibility. By spreading awareness and taking collective action, we contribute towards a cleaner and greener future."
The drive was coordinated by Ms. Daisy Wadhwa and Ms. Satwant Kaur, along with the faculty members of the Computer Science Department.

Activity: World Computer Literacy Day
Activity Details: Guru Nanak Khalsa College for Women, Model Town, Ludhiana, celebrated World Computer Literacy Day on December 2, 2025, under the aegis of the Internal Quality Assurance Cell (IQAC). The event was organized by the Department of Computer Science and Applications to promote digital awareness and empower educators with emerging technological tools.

As part of the celebration, a special workshop on the use of AI tools to facilitate teaching-learning processes was conducted for the college faculty. The session aimed to enhance teachers' familiarity with artificial intelligence-based platforms and demonstrate practical ways to integrate these tools into classroom planning, content delivery, and student engagement.

Principal Dr. Maneeta Kahlon, in her address, emphasized the significance of the day's theme, "Promoting Literacy in the Digital Era." She highlighted the growing importance of digital competence for both educators and learners, stating that, "In today's rapidly evolving world, digital literacy is no longer optional. It is a foundational skill that empowers individuals to learn, innovate, and contribute meaningfully to society."

The workshop was conducted by the faculty members of the Computer Science Department, who demonstrated the practical use of AI Tools and engaged participants in hands-on activities.
