ABOUT US

The Department of Business Management at Guru Nanak Khalsa College for Women, established in 2007, is committed to delivering world-class management education. The department's primary objective is to cultivate a new generation of dynamic, competent, and forward-thinking leaders, equipping them with the knowledge and skills essential for success in the global business landscape and ensuring exceptional career opportunities through top-tier placements.

The Bachelor of Business Administration (BBA) program, a comprehensive three-year professional degree, is designed to impart advanced managerial and entrepreneurial skills, preparing students for leadership roles across diverse sectors. As one of the most coveted undergraduate degrees in the field of management, the program opens doors to a wide array of rewarding career pathways. The program is open to students from all academic backgrounds and provides an in-depth understanding of business administration through a combination of rigorous academic coursework and hands-on learning experiences, including internships and practical projects. This BBA program lays a solid foundation for further academic advancement, offering seamless progression into prestigious postgraduate programs such as MBA, M.Com, M.A., Master in Finance & Control, or specialized fields like trade, law, finance, communication, and more. Graduates of the program are well-equipped to pursue diverse career opportunities across various sectors, including marketing, finance, banking, sales, business consultancy, advertising, education, and manufacturing, to name just a few.

The curriculum is meticulously crafted to develop critical business acumen, enhance analytical thinking, and sharpen decision-making abilities, empowering students to thrive in today's competitive global market. In addition, the program emphasizes leadership development, fostering the essential skills required to manage and lead organizational functions effectively. BBA graduates from Guru Nanak Khalsa College for Women are positioned for rapid career growth, with abundant opportunities for both professional advancement and financial rewards. The curriculum covers core subjects such as Principles and Practices of Management, Managerial Economics, Accounting, Communication, and Information Systems, while also focusing on the development of

executive leadership, strategic thinking, and managerial expertise. By integrating a strong foundation in general education with specialized business skills, the Department of Business Management ensures that its graduates are not only well-versed in business theory but also equipped with the practical skills necessary to excel in a rapidly evolving business environment. Ultimately, the program aims to develop well-rounded, visionary professionals prepared to meet the challenges and seize the opportunities of tomorrow's business world.

INTRODUCTION OF NEP 2020

The introduction of the **National Education Policy (NEP) 2020** in colleges marks a transformative step toward enhancing the Indian higher education system. NEP 2020 aims to make education more inclusive, flexible, and aligned with global standards, while also preserving the rich cultural heritage of India.

The implementation of the four-year undergraduate program under NEP 2020 is a complex and challenging task, given the wide array of new choices and the detailed credit allocation across various subjects. The department has made comprehensive preparations to ensure the smooth assimilation of the NEP framework. This includes adapting to the restructured curriculum that offer diverse choices through **Skill Enhancement Courses, Value-Added Courses, and Multidisciplinary Courses**, thereby providing students with greater flexibility and opportunities for a well-rounded education.

Faculty members have undertaken extensive training to adapt to the new teaching and assessment methodologies, with an emphasis on fostering critical thinking, practical application, and a holistic approach to learning. Additionally, initiatives are being implemented to ensure a seamless transition to the new system for both students and staff. This includes regular orientations, workshops, and robust support systems designed to address any challenges during the implementation process.

The department is committed to embedding the **core values of NEP 2020—inclusivity, quality, innovation, and research—into the academic experience**. This approach aims to equip students with the knowledge, skills, and mindset necessary to thrive in a dynamic and rapidly evolving world.

Girls of Guru Nanak Khalsa College for Women, Gujarkhan Campus, Model Town, celebrate Teej. Inderjeet Verma

Guru Nanak Khalsa College for Women, Gujarkhan campus,
Model Town, Ludhiana, was the first to start the 'Nirbhaya' campaign.

Wiser town, Doonitara, wore the festive look of a lively village with children and teenagers wearing colourful traditional Punjabi attire. The first guest on the occasion was singer Anujot Kaur. She inaugurated an exhibition of Punjabi cultural and heritage items organised by the college. The campus echoed with the laughter of vivacious and spirited girls enjoying the flower bedecked swings to Teej songs. Girls savoured street snacks on the occasion. The spectacular show was marked by a variety of other stalls. Fiftyfive Punjabi 'mutiyaars' were ready with their gait and sportive spirit for 'Teeyan di Rani' competition. Manreet Kaur won the title.

A group of five people, three men and two women, are standing in a row, each holding a small potted plant. They are positioned in front of a banner that reads "Organizer Extension Activities". The individuals are dressed in a mix of traditional Indian attire (sarees, kurta) and casual wear (t-shirts, trousers). The setting appears to be an outdoor or semi-outdoor area with a wooden floor.
