BOOKS EXHIBITION:-

The club **House of Readers** organized a Book Exhibition in the college campus from 19 August to 21 August 2025. The Exhibition included books on various topics such as Politics, Economics, English Literature, Punjabi and Fiction. The event received a great response from the students. Dr. Balbir Kaur, Librarian of the college, requested the students to read at least one book every month, as reading helps in developing their overall personality. Principal Dr. Maneeta Kahlon, who herself believes in the power of reading, appealed to the students to purchase at least one book and make a habit of reading. She emphasized that reading books not only makes students mentally strong but also helps them cope with challenges such as peer pressure.
