The Guru Nanak Khalsa College for Women, Gurjarkhan Campus, Model Town, Ludhiana, established the Home Science Department in 1975. In beginning this department had just one Lecturer. There were only 60 students enrolled in prep school, and 25 of them were first-year students. Initially, there was only one laboratory available. The department lacked a lab attendant. A lab assistant was employed in 1980 shortly after one attendant was hired in 1976. The department added a second lecturer in 1978. The second lab. was built in 1982 at the same time that the student body was expanding. The Department was placed on the Ground floor. In 2001–2002, however, the entire department was transferred to the first floor.

There are currently two labs in total—one for cooking and one for sewing. There is a single staffroom with a restroom next to it for the teaching staff. One storage room is available for keeping extra equipment, sewing machines, and other necessities

Additionally, a single attendant's room has been built so that she may provide the students during practical with anything they require. In order to ensure that sessions ran smoothly as enrollment increased over the following years, a timetable of four faculty members—two permanent, two adhoc, one lab assistant, and one lab attendant—was set up. Over time, prep or Sr. Sec programmes were rescheduled for school levels, and only degree-related course work remained as a component of higher education. one Adhoc and one Permanent Faculty member ,as well as one Lab Assistant and two Lab Attendant, comprise the department as of right now with implementation of NEP in 2024. In the beginning of session 2025-2026, along with successful implementation of NEP during the session 2024-2025 (1st and 2nd semester) and advancement of subjects of SEC, MDC AND VAAC in odd semester (ie 3rd sem), and also to introduce major/ minor subjects in even semester, one faculty member and one lab attendant were appointed in the Department.

2. Educational visit to PAU

S. No.	Date	Action taken	Organized by	Social Media Links
1.	January 22, 2026	Educational visit to the College of Community Science, Punjab Agricultural University (PAU)	Department of Home Science, under IQAC GNKCW	1. https://www.facebook.com/share/p/17vam3vDqr/ 2. https://www.instagram.com/p/DT2MgCIEQkK/?utm_source=ig_web_copy_link&igsh=MzRlODBiNWFiZA==

On arrival at PAU, a group of 41 students were warmly welcomed by the faculty members of the Department of Human Development and Family Studies. The students were introduced to the academic structure, laboratories, research facilities, and extension activities of the department. They visited the nursery and day-care laboratories, nursery school, play-way learning areas, and observation rooms, where they observed various teaching-learning materials, child-friendly furniture, and developmental assessment tools.

Faculty members at PAU explained the significance of early childhood care and education, nutrition, emotional development, and cognitive stimulation in the holistic growth of children. Demonstrations related to teaching aids, educational toys, and activity-based learning methods were also shared, enabling students to effectively connect theoretical concepts with practical applications. The interactive session encouraged students to ask questions and gain deeper insights into career opportunities and research scope in the fields of child development and community sciences.

Department of Home Science of Guru Nanak Khalsa College for Women, Ludhiana in collaboration with the “Earn While You Learn” initiative organized a Dry-Fruit Loaded Fruit Cream Stall for students and staff.

The fruit cream, prepared with fresh seasonal fruits and premium dry fruits such as almonds, cashew nuts, and raisins, was nutritious and hygienically prepared. Eleven students actively managed planning, procurement, preparation, pricing, and sales, gaining practical experience in teamwork, customer handling, and basic accounting while maintaining high standards of food safety and presentation.

The stall was appreciated by distinguished guests, including novelist Davinder Singh Sekhon, Mitter Sen Meet, Prof. Inderpal Singh (Govt. College, Karamsar), and Sukhinder Pal Singh Sidhu.

10. Workshop on Ornaments, Wall Décor, and Wooden Planks

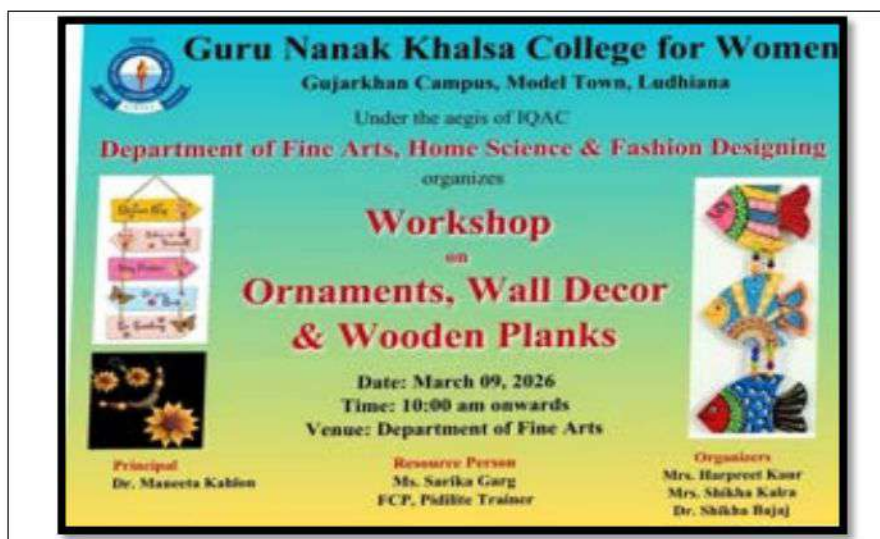

S.No.	Date	Action taken	Organized by	Social Media Link
1.	March 9, 2026	Workshop on “Ornaments, Wall Décor, and Wooden Planks was organized	Department of Home Science, Fine Arts & Fashion Designing under IQAC, GNKCW	1. https://www.facebook.com/share/p/1Ht2JZW6Yc/ 2. https://www.instagram.com/p/DVqDfsiiZwT/?utm_source=ig_web_copy_link&igsh=MzRIODBiNW_FIZA==

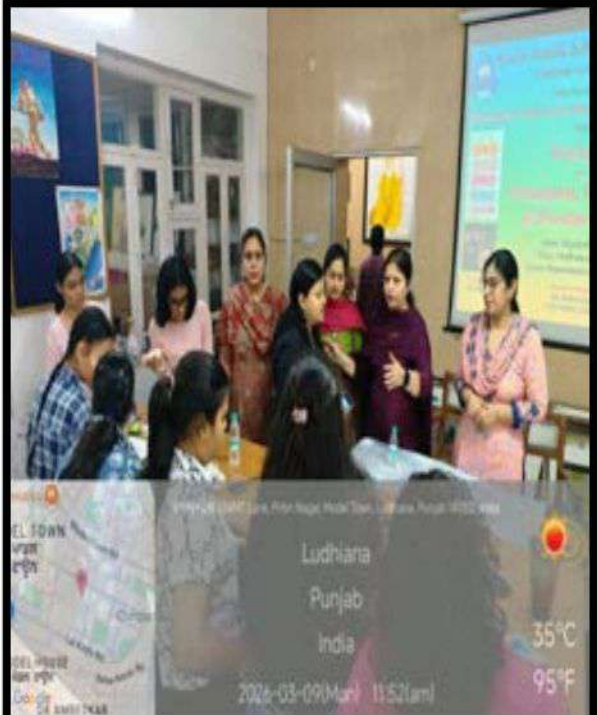

The workshop was conducted by Ms. Sarika Garg, FCP and Pidilite Trainer, who shared her expertise in decorative crafts and creative art techniques.

The objective of the workshop was to provide students with practical exposure and skill development in the field of art and craft. During the session, Ms. Sarika Garg demonstrated various innovative methods for designing ornamental items, decorative wall hangings, and creatively designed wooden planks using different craft materials.

A total of 55 students actively participated in the hands-on activity.

Students were guided through the step-by-step process of creating decorative pieces, with special emphasis on design, colour combinations, texture development, and finishing techniques. The hands-on training enabled students to explore their creativity and learn new crafting skills. The workshop proved to be highly informative and interactive, encouraging students to develop both their artistic abilities and entrepreneurial ideas through handmade craft products.

Department of Home Science of Guru Nanak Khalsa College for Women organized a workshop on “Play-Based Intervention Techniques.” The session was conducted by eminent psychologist Neha Lakhnarpal with the objective of enhancing the understanding of 66 participants regarding child-centered therapeutic approaches.

Various play-based intervention techniques such as role-playing, storytelling, art-based activities, and the use of therapeutic toys were demonstrated during the session. Participants were trained to observe and interpret children’s behavior during play and to identify underlying emotional and psychological concerns. The resource person also explained how these techniques can be effectively used for children facing behavioral issues, developmental delays, and emotional difficulties.

The workshop was highly interactive, involving hands-on activities and practical demonstrations. The session concluded with an engaging discussion, during which students shared their experiences.

14. World Health Day

S.No.	Date	Action taken	Organized by	Social Media Link
1.	April 7, 2026,	World Health Day- A series of activities of physical activities and preparation of Healthy Breakfast dishes were organized	Department of Home Science and Physical Education collaboration with NSS Unit, under IQAC, GNKCW	1. https://www.facebook.com/share/p/1ECGLAQfSR/ 2. https://www.instagram.com/p/DW5zU5jES1K/?utm_source=ig_web_copy_link&igsh=MzRIODBiNWFIZA==

The event aimed to promote awareness about the importance of a healthy lifestyle and overall well-being among 84 students.

The program began with a series of physical activities organized by the students of Physical Education. These included exercises and fitness routines that encouraged active participation and highlighted the importance of regular physical activity for maintaining good health.

Simultaneously, students from the Department of Home Science showcased their skills by preparing nutritious breakfast dishes. They prepared healthy and delicious items such as vegetable upma and khaman dhokla. Special emphasis was placed on enhancing the probiotic qualities of these dishes, thereby educating participants about the importance of gut health and balanced nutrition in daily life.
